

ALLEN | HAMMETT

CYBERSECURITY / GOVCON / AI SOLUTIONS

Capability Statement

Federal cybersecurity, mission IT, and governed innovation

MISSION-FOCUSED. DISCIPLINED DELIVERY.

Allen Hammett Inc. is a Virginia-based, certified Service-Disabled Veteran-Owned Small Business supporting government and mission-focused organizations with cybersecurity engineering, enterprise IT, and technology enablement.

CORE CAPABILITIES

Cybersecurity & RMF

Control assessment, evidence review, RMF/ATO sustainment, POA&M remediation, and audit readiness.

Mission IT & Secure Cloud

System administration, infrastructure operations, systems integration, secure deployment, and cloud assessment support.

AI & Compliance Automation

Governed AI-assisted monitoring, compliance workflows, data analysis, and decision support.

WHAT SETS ALLEN HAMMETT APART

Internally developed assessment tool

Our tool rehearses audit and transition scenarios, scores evidence defensibility, and generates corrective priorities and executive briefs.

Human-governed intelligence

AHIP combines mission intelligence with role-based access, traceable workflows, and human approval for consequential actions.

Assessment tool: internally validated; external beta pending. AHIP: limited DEV acceptance.

SELECTED COMPANY PAST PERFORMANCE

FISMA audits: Supported multiple successful audits through readiness leadership, evidence review, and RMF/POA&M coordination.

JCIP / DIA inspection: Participated under an Allen Hammett contract, bringing firsthand understanding of inspection readiness.

Audit outcome: A+ external security audit rating; one finding remediated during assessment.

Leadership: 23 years of U.S. Navy service and 9 years of federal government experience.
